

Everything is Done in Store

Purchasing firearm(s) is a three-stage process.

STAGE 1 SELECTING AND BUYING:

- Present a valid Washington ID or Driver's License, displaying a **CURRENT** physical address. If your address on your ID or Driver's License **IS NOT** current, we can **ONLY** accept screenshots or printouts from WA Dept of License Express, proving your address is updated (Link to update address: <https://secure.dol.wa.gov/home/>)
- Present a **HB1143** Firearms Safety Training Certificate. (<https://onlinefirearmtraining.com/?Area=WA>) and many other HB1143 versions online are also acceptable.
- Washington state added a \$18.00 background check fee at time of purchase. See HB1143 link for more info. (<https://app.leg.wa.gov/billsummary?BillNumber=1143&Year=2023&Initiative=false> , See Session Law)
- Select firearm(s) that are physically available in store or listed on our website.
- Firearm(s) are paid for in full.

STAGE 2 BACKGROUND CHECK:

- Once we obtain the serial number (typically 1-2 days), we will notify you to come in to begin paperwork for a background check. The sooner you sign the paperwork, the sooner the background check can start.
- If firearm(s) is in store, you will sign the paperwork immediately after payment is made.

STAGE 3 WAITING PERIOD:

- *** Having a Concealed "Pistol" License (CPL) **DOES NOT** change the waiting period ***
- After a **REQUIRED 10 Business** day wait (from when the paperwork was signed and submitted) **PLUS RESOLUTION** (proceed status from the state to release your purchase), we will inform you that your firearm(s) is ready for pick up.
